

My Writing Goals

Choose at least FIVE for each. Remember to keep your goals doable. Don't map out the writing of a novel over two months if you know that won't be possible. Include goals for planning, plotting, working out motivations, thinking up ideas, reading in your genre, and for keeping the creative river flowing.

Also, make a note of some celebrations to acknowledge your progress. If you're not sure what I mean, download the FREE mini-module, **5 ways to unleash your writing mojo magic**.
